

→ M50 to High School

\* NO right turn when driving east.

Leave the M50 at exit 11, towards the City and Templeogue. Turn right at the first round-about, then left at the T junction. Continue straight ahead at the next four sets of traffic lights, noticing Rathfarnham Shopping Centre on your left at the third. At the fifth set of lights, turn left, with Rathfarnham Castle just across the road. Just after passing through the next traffic lights, you will see the entrance to Crannagh Rd. on your right. (Do not turn right here!) Cross over the river Dodder by going straight ahead at the next lights. Take the centre lane so that you can turn right at the next lights, down Bushy Park Rd.. At the end of the road, turn right and High School is facing you, at the end of the cul-de-sac.
